

## BIO CLEANING SOLUTIONS

### Odorite™ Grime Away Gel - Quadruple Natural Citrus Terpene Emulsifying Cleaning Gel

**A premium sustainable eco-friendly citric product for the effective cleaning of oils, grease and hydrocarbons from hands and other surfaces**

Grime on the skin is a horrible feeling, isn't it? On your hands, arms, face, neck... Don't worry; getting rid of grime quickly and effectively is now much easier thanks to Odorite Grime-Away Gel from Green Worx CS.

#### Product Description:

Odorite Grime Away Gel is a premium quality sustainable hand cleaning gel based on extracts of Orange Terpenes. Grime Away Gel is the only Quadruple Natural Citrus Terpene Emulsifying Cleaning Gel that contains oil extracted from the peel of citrus plus a fully bio

degradable triple action hydrophobically modified, alkali-swellaable emulsion polymer with strong anionic, non-ionic and zwitterion surfactants and an additional non-ionic surfactant with good wetting properties that functions as a dispersant and emulsifier.

Odorite Grime Away Gel is specially developed for removing extremely stubborn industrial soiling. Its unique product formulation easily removes soils such as lubricants, grease, paint, varnish, ink, tar, bitumen and adhesives. Odorite Grime Away Gel cleans, moisturizes, protects and is dermatologically tested pH neutral and biodegradable. Odorite Grime Away Gel has a fresh citrus scent from natural ingredients and is extremely effective due to skin-friendly abrasive and natural ingredients.

#### Directions for use:

Apply and rub a small amount – 20ml - of Odorite Grime Away Gel onto the hands until dirt loosens. Rinse off with clean water or wipe off with a towel and dry hands thoroughly.

In addition to grubby hands Grime Away Gel is a hard working, biodegradable household cleaning gel that is gentle on the environment and is ideal for people with sensitive skin and allergies.

Grime Away Gel can be applied directly to floors and scrubbed using a hard broom with a small amount of added water for general cleaning and de-odourising. May also be applied directly via a cloth/sponge or pre-diluted in water. **For light duty cleaning, dilute 10ml to a litre of water. For medium duty cleaning, 20 ml per litre. For very heavy soiling 50ml per liter of water.**

Use Grime Away Gel as required undiluted on stubborn dirt to clean washable household items.

## Grime Away Gel Effectively Cleans:

- Crockery, cutlery and glasses
- Floors, windows, counters and stoves
- Bathrooms, basins and toilets

This All Purpose Cleaning Gel really is all purpose, making it great for cleaning the whole house, garage and office.

This cleaning gel negates the use of any other household cleaner, streamlining purchasing and actual cleaning routine

Formulation is designed to make quick work of cutting through dirt, grease and residue build up, leaving nothing behind but a pleasant and relaxing citrus fragrance

Orange oil is an effective stain remover, de-greaser and thought to be a natural antiseptic and deodoriser.

### Storage:

Keep the package of Odorite Grime Away Gel well closed and store in a cool but frost-free place.

### Environment & Safety:

Complies with EEC directive 73/404/EEC on biodegradation for surfactants. In addition, the surfactants in the products comply with the criteria for biodegradation set out in Directive 648/2004/EC concerning detergents. Complies with European regulations on cosmetics (76/768/EU).

### Quickly removes:

- Dirt, grime, soil, grease, stains, soot, grunge, dust...
- Scum
- Transformer Oils
- Cable Gels
- Oxide Inhibitors
- Adhesives
- Caulk
- Lubricants
- HDD Pipe Thread Grease
- Tar/Asphalt

### Description: Easy-to-use, heavy-duty gel for general hand cleaning, such as removing oil, grease and grime.

Usage: For use without water whilst on the move or at the work point.

Method of Use: Use a single 20 ml scoop of gel directly on hands. Rub well until soiling is removed – rinse with water or wipe hands on a paper towel or cloth.

Feature	Benefit
Highly effective	The gel is impregnated with powerful, heavy duty eco-friendly cleansing ingredients to produce an efficient and convenient oil, grease and grime remover.
Powerful	Acts quickly and effectively, leaving minimal sticky after-feel.
No need for water	The gel emulsifies contaminants from the skin with little need for rinsing with water.
Versatile	Can be used at the work-point for quick cleansing, or on-the-move when working remotely and normal hand washing facilities are not available.

Pleasant fragrance	Fragrance makes the product pleasant to use and leaves the skin smelling fresh.
Conditions skin	Contains a moisturiser to leave the skin soft and supple after use
Handy pack	The gel is dispensed from a handy, easy-to-use container.
Hygienic	The sealed container protects the gel from contamination and ensures that each scoop is fresh when used.
