

BIO CLEANING SOLUTIONS

Odorite™ Grime Away Ready To Use (RTU)

A premium citric product for the effective cleaning of oils, grease and hydrocarbons on all surfaces

Green Worx Cleaning Solutions offers new groundbreaking patented environmentally friendly pre-treat water technology to replace and outperform any wetting agent. This environmentally friendly additive is a solvent, ammonia and glycol free replacement product where powerful wetting performance is required for cleaning and dispersion of particles into solutions or suspensions; it prevents flocking and agglomeration; The additive product performs extremely well and is a replacement for conventional wetting agents to increase environmental acceptance; This new water technology is primarily used in the pre-treatment of water. The quality of water and its properties are manipulated in an entirely natural way.

This natural product neutralizes the magnetic charges of particles in water thus reducing surface and interfacial tension resulting in: Increased adhesion of the liquid to a solid particle thus resulting in a powerful wetting agent.

Allows for water and oil-based droplets to break down into finer globules and to stay in suspension for longer, resulting in powerful emulsification. The addition of this new technology allows for the transfer of our microbes / probiotics into nooks and crannies resulting in a more effective distribution of probiotics for better degradation of organics ensuring more visible cleaning and deodorising power.

Odorite™ Grime Away is a 100% natural citrus cleaner, based on the natural solvent extracted from the peel of citrus fruits. It is a highly concentrated, water based solvent solution for use as domestic, janitorial and industrial cleaners and degreasers. **Odorite™ Grime Away**, citrus cleaner will replace petroleum solvents or chlorinated solvents.

Product details:

Odorite™ Grime Away is suitable for removing all types of soiling, from carpets and upholstery as well as hard surfaces and flooring. It is an adaptable and suitable formulation for use in many industrial, automotive and engineering type applications as well as less demanding domestic and janitorial applications, where dilution ratios provide exceptional cost effectiveness. **Odorite™ Grime Away** is offered as a general purpose cleaner, patio and garden furniture cleaner, braai cleaner, driveway oil spotter, parts washer and moderate to light soiled machinery degreaser.

Green Worx Cleaning Solutions offers new ground breaking patented environmentally friendly pre-treat water technology to replace and outperform any wetting agent. This environmentally friendly additive is a solvent, ammonia and glycol free replacement product where powerful wetting performance is required for cleaning and dispersion of particles into solutions or suspensions; it prevents flocking and agglomeration; The additive product performs extremely well and is a replacement for conventional wetting agents to increase environmental acceptance; This new water technology is primarily used in the pre-treatment of water. The quality of water and its properties are manipulated in an entirely natural way. This natural product neutralizes the magnetic charges of particles in water thus reducing surface and interfacial tension resulting in:

Increased adhesion of the liquid to a solid particle thus resulting in a powerful wetting agent.

Allows for water and oil-based droplets to break down into finer globules and to stay in suspension for longer, resulting in powerful emulsification. The addition of this new technology allows for the transfer of our microbes / probiotics into nooks and crannies resulting in a more effective distribution of probiotics for better degradation of organics ensuring more visible cleaning and deodorising power.

Odorite™ Grime Away is:

- Quick splitting, which means that it quickly separates from oils enabling both re-use of the cleaning solution and effective removal of the oils and contaminants before reclaim or disposal.
- Contains advanced surfactant technology, coupled with the powerful natural orange solvent, enables most types of soiling, including chewing gum and tar, to be lifted from the substrate and rinsed away with water.
- A water-soluble liquid containing natural orange terpenes.
- Pleasant, natural orange fragrance.
- Powerful and dilutable cleaning ability.
- Suitable for use where staff training may be a problem.
- Ideal in schools, hospitals and institutions, and where selection of safer cleaning agents is important.

Use and dilution:

- Available in 5 liter and 25 liter containers as a concentrate
- Use as is (no dilution required)
- Can be diluted further - One part concentrate mixed into 9 parts water – for light soiling.

Applications:

- Easy to apply by spray, mop, brush or sponge, mechanical-cleaner, pressure-washer, dip-tank or wet-vac type floor machine
- Use on all washable surfaces, carpets and fabrics including Terrazzo, stainless steel, work ware and any colorfast upholstery fabrics
- Use to remove tar, grease, oil, ink, toner, adhesives, sealant, glue, polish, fat, wax, crayon, blu-tac, plasticine, lipstick, chewing-gum, smoke damage & even some graffiti
- Kitchens - walls, floors, filters, cooker-tops, ovens, worktops, griddles and all hard surfaces.
- Shops, offices & public buildings - carpets, upholstery, plastic and melamine, chrome, ceramic tiles, lino, terrazzo, paintwork
- Sport and amenity centers - showers, ceramic tiles and swimming-pool surrounds, washrooms, carpeting, terrazzo, vinyl, marble, chrome, stainless steel, paintwork, patio furniture, bar-b-q's, bouncy-castles
- Vehicles, workshops and engineering - engines, paintwork, wheels, plastic trim, chrome, upholstery and carpets, vinyl, tonneaus, concrete floors, metalwork, machinery, tools and equipment, workbenches, general work-areas, tyre-bays, petrol-pumps & islands, parts washers, pressure-washers, dip-tanks, toilets, washrooms and public areas, work ware and walk mats.
- Shipping and boating - engines, general deck-areas, paintwork, metal, chrome, stainless-steel, plastics, vinyl, carpeting, upholstery fabrics, tonneaus, hulls, bilges, toilets, inflatable boats and rib's
- Safely strips all types of floor polish and adhesives without damaging the flooring

Metal, plastic, and general surface:

The information provided is based on resistance to Citrus Terpenes. Compatibility should always be determined by individual users on a case by case basis. Following is a list of compatible and non-compatible materials **Odorite™ Grime Away** can and cannot be used on:

Compatible Materials	Incompatible Materials
Aluminium	Buna-N
Brass	Europrene
Bronze	HDPE (High Density Polyethylene)
Carpenter 20	Krynac
Ceramagnet	LDPE (Low Density Polyethylene)
Ceramic	Natural rubber
Copper	Neoprene
CPVC (Chlorinated polyvinyl chloride)	Nipol
Delrin® (duPont™)	Nitrile
Epoxy	PE (Polyethylene)
Formica™	PP (Polypropylene)
Glass	PVC (Polyvinyl Chloride)
Gold	Tygon® (Saint-Gobain Co™)
Graphite	
Hastelloy C	
HDPE (High Density Polyethylene) Fluorinated	
Kel-F® (duPont™)	
Kynar® (Pennwalt Co™)	
Nylon	

PET/ PETG (Polyethylene Terephthalate)
Phenolic
Platinum
PVDF (Pennwalt Co™)
Ryton® (Phillips Petroleum Co.™)
Silver
Stainless steel
Teflon® (duPont™)
Titanium
Tychem® (duPont™)
Viton® (duPont™)
Zinc
